European Commission

Education and Training Monitor 2023

<https://op.europa.eu/webpub/eac/education-and-training-monitor-2023/en/>

European Commission has put forward three actions that will make it easier for EU countries to attract the best talent from around the world.

https://commission.europa.eu/news/reinforcing-legal-migration-help-europe-thrive-2023-11-15_en

The Commission plans to establish an 'EU Talent Pool' with tailor-made partnerships with non-EU countries to make it easier to recruit jobseekers from non-EU countries.

Events during the European Year of Skills 2023 were leading to the points of friction on whether 'learning for life', or 'learning for the labour market' should be a priority and on the balance between the benefits and risks of AI.

<https://www.cedefop.europa.eu/en/news/slovakia-clash-culture-and-technology-manifested-european-year-skills>

Established in February 2023 the Slovakian Alliance of Skills Councils (ASC) has the task of formalizing and intensifying cooperation between central state administration bodies, representatives of employers and representatives of trade unions in determining changes in the labour market and setting up responsive education systems. The main goal of the ASC is the harmonization of the educational system with the needs of the labour market.
