#### European Training Foundation (ETF)

A partnership forged via Europe's largest education network - - eTwinning - took schools in Croatia, Armenia and Turkey over the

winning line in ETF's Green Skills Awards 2022.

The key findings of the ETF's recent study, "Embracing the digital age. The future of work in the Western Balkans. New forms of employment and platform work " shows that although digital strategies rank high on the agendas of Western Balkan governments, with an emphasis on economic development, education and digitalisation of the public sector many citizens lack the skills needed to compete in an integrated global economy and are incapable of adapting quickly to shifting demands in the labour market.

UA Re-Emerge(ncy): e-learning and skills development to rebuild Ukraine. ETF has launched an emergency support programme for Ukraine in response to the Russian military aggression which has severely damaged education infrastructure. The purpose of the programme is to collect and adapt professional short modules and other e-learning resources from the EU and EU neighbouring countries, which will give Ukrainian learners the opportunity to enrol in high-quality vocational e-learning, reskilling and upskilling courses.

Projekt Lernvolution: In einem Modellversuch wählen Lernende in zwei Berufen Inhalt, Zeitpunkt und Form ihrer schulischen Lernziele individuell aus innerhalb des vom Gesetz gegebenen Rahmens. Konsequenzen für die Lehrpersonen: Statt Wissensvermittler werden sie zu Kompetenzcoaches, die die Lernenden beraten, unterstützen und beurteilen.
