OECD

OECD Event in Berlin: Vocational Education and Training for the Green Transformation

<https://www.deutschlandfunk.de/oecd-veranstaltung-berufsbildung-fuer-die-gruene-transformation-dlf-9e6b3e56-100.html>

Education at a glance 2022 focuses on tertiary education. A specific chapter is dedicated to the COVID crisis and the shift from crisis management to recovery. Two new indicators on professional development for teachers and school heads and on the profile of academic staff complement this year's edition.

<https://www.oecd.org/education/education-at-a-glance/>

Tertiary education rates reach record high, with more efforts needed to expand vocational education and training

<https://www.oecd.org/education/tertiary-education-rates-reach-record-high-with-more-efforts-needed-to-expand-vocational-education-and-training.htm>

I am the future of work. Now what? OECD platform for young people to make sense of the public debates on jobs and learning and to give the tools to understand these issues and the means to contribute to the conversation.

<https://futureofwork.oecd.org/en>

Improving Early Equity: Links between parents and their early childhood education and care (ECEC) centre are also positively linked to children's early development, as well as the provision and quality of ECEC. Data based on direct assessments from 7,000 children in England, Estonia and the United States show what it takes to achieve a level playing field for disadvantaged children.

<https://www.oecd.org/education/improving-early-equity-6eff314c-en.htm>

UN Climate Change Conference

COP 27 will take place from 6 to 18 November 2022 in Egypt. On 10 November 2022, COP27 Presidency will organize Youth & Future Generations Day and the inaugural Youth-led Climate Forum.

Belgium

Every ninth job offer is about ecological change

<https://www.leforem.be/a-propos/communiqués-presse.html>

In order to reduce the lack of digital skills of job seekers and help them to integrate into the labour market, the following concept of the "SmartCorner" was developed. This technological space raises awareness and trains the jobseeker.

<https://www.leforem.be/content/dam/leforem/fr/documents/a-propos-du-forem/CP-centre-compétence-forem-environnement.pdf>

Bulgaria

Integration of Ukrainian refugees in VET and the labour market

<https://www.cedefop.europa.eu/en/news/bulgaria-integration-ukrainian-refugees-vet-and-labour-market>

Denmark

7 per cent of those admitted to study in 2021 also considered or applied for vocational training. Concerns about low wages, lower skill levels and poor working conditions led them to decide against vocational training. Many have an outdated and simplistic understanding of what working life looks like for vocational graduates.
